

INVITATION TO EXHIBIT / SPONSOR

SCADA 2009 CONVENTION and TRADE SHOW

A very special celebration of SCADA's 50th Anniversary is this year's best opportunity to market your products or services to California auto recyclers!

State of California Auto Dismantlers Association Convention / Trade Show
July 15 - 18, 2009
Hapuna Beach Prince Resort, Kohala Coast Hawaii (Big Island)

Trade Show: Saturday evening, July 18

A full evening dedicated exclusively to table-top exhibits and socializing will be the perfect time to display your products or services, and to personally meet with the leading auto recyclers in California. A dinner buffet will be served during the event.

With the expectation of attracting attendees from California and beyond who want to combine a vacation with the convention, we anticipate great attendance at this show.

Sponsorships

Your generous sponsorships make this event a success. You'll be recognized as a supporter of the California auto dismantling and recycling industry when you sponsor convention items or one of the special events. A full list of opportunities provides many choices for the best return on your sponsorship investment. If an exclusive sponsorship doesn't fit your budget, we'll get you together with a non-competing company to share the spotlight.

And more!

In addition to your exhibit and sponsored event or material, your presence at all convention events provides more opportunity to meet new clients and greet old friends.

Promotion in the California Dismantling magazine – delivered to EVERY DISMANTLER IN THE STATE!

Acknowledgements in convention registration materials and at convention events!

Recognition as a supporter of the California vehicle recycling and dismantling industry!
